HE HEART'S WALKING DELEGATE FAILS Cleveland Plian Dealer.—Love should ever go on a strike.

+ INGALLS AND PEFFER.

Augusta Chronicle.—It is reported that ingalis wants Peffer's scaip. There nothing in it.

JEWIII LIKINA!

New York Press.—The country would appreciate it better if Senator Peffet would cut off his speeches instead of his

TABLE LEFT KANSAS CITY?

Kansas City Journal.—Old Nick is not formally represented in the Congress of Religions at Chicago, but he is very much in evidence in the immediate locality just the same.

Bits occupation.

Detroit Tribune.—"That fellow appears to be a very earnest speaker. What is business?"

"Who, that chap talking now? Oh he's a professional 'unemployed working.man."

IT'S DEMOCRATIC, YOU

New York Press,—"It's talk, talk, talk,—law, law, law, law, 'as Widow Brott used to say. The country elected a Democratic Senate, however, and it will have to suffer the penalty of its rash experiment. +

SAME WAY IN TRIS STATE

Now Fork Press.—It is a significant fact that no Democratic organ in the Empire state is "pointing with pride" to the record of the last Legislature. Very few Democratic newspapers even attempt to defend it.

GOVERNOR MATTHEWS IS BOS

GOVENNOR MATTHEWS IS BOOS.

Chicago Dispatch.—A lawyer has given an opinion that prize fights cannot be prevented at Roby under the appeal of the cases now pending. But Governor Matthews says they can, and the man with the gun usually has his way.

"BUCK" KILOHR'S FAILURE.

Boston Herald.—Great Objector HolBaston Herald.—Great Objector Holgarcile role since he has been retired from the Appropriations Committee.
His would-be successor, Buck Kilgore of Texas, seems to be earning the title of the Small Objector. +

LOST HIS VOTING STRENOTH.

Atlanta Constitution.-" I reckon our Congressman must be kinder backed up

+

A FINE SPECTACLE, THIS.

Indianapoles Journal.—This is the first time that men who are not American citizens have been permitted to appear before the Ways and Mcans Committee of an American Congress and urge a reduction of the duties which protect American industries and sustain the American grade of wages.

WHAT THEY STAND FOR

WHAT THEF STAND POR.

New Fork Advertisor.—Out in Ohio McKinley and Neal stand for exactly what
the two great political parties represent
—honest money, prosperity, Protection
for American interests on one side and
Fres-trade, wildcat money, was on
Lucino pensioners, income tax and Comfederate exatistion on the other. And
Mr. McKinley's majority in November
will not be less than 30,000.

A LONE STAR DEFENDER

A LONE STAM DEPENDER.

Dallas News.—A cruel New York contemporary criticises the high-top-boots
of the "Kentucky Colonel." The "Kentucky Colonel" is usually prepared to
stake care of himself, but if cannot be
out of place to explain to this dull critic
of New Amsterdam that it requires boots
with very tall tops to hold a high grade
Kentucky Colonel when he wades in the
Bluegrass and gazes at the bloody moon.

+

WHY SUBAN B. NEVER MARRIED.

Philadelphia Press.—Miss Authonythere is but one—says that have we
impelled to remain single because of the
custom of calling the widow a "relict"
of her deceased husband, and she would,
rather remain forever unmerried than
have her existence recorded for future
generations as the "relict" of any man.
Well, Susan need not do that. She might
marry a good tough, smeke seasoned

THE MINT THIEF. He Had a Tunnel and Trap Door in His House.

The Upper Portion of the Dwelling Was Fixed for Melting Gold.

Mes for Making Counterfeit Coins Wes Also Found—False Panels in the Walls Showed Secret Closets—The Old Gentleman Was Quite a Fop.

blowed Secret Closets—The Old Centleman Was Quite a Yop PHILADELPHIA, Sept 30.—Henry Coobras, who style \$158,000 in gold from the weak minded man, is shown to have been a consummate scamp. For years he lived alone in a big house in Darby, a suburb. The building set back one hundred feet from Woodland awarnse, and is perched on a hill. Chief of Secret Service Drummond investigated the house Tuesday. In the past where the public visited were religious pietures, Bibles and hymn-books. In the ceils: Waster the public visited were religious pietures, Bibles and hymn-books. In the ceils: was found a false door, which flew back by tooching a spring. This led into a tunnel that ended at the attrect, the mouth being concealed by glass. In the house were funds frail of years, in the house were funds frail of years of shoots. Six crucibles for melting gold were also found, as well as dies for making counterfest coin. He had the top of his house fitted up like a smelting room and could drop to the ceilse on a trap door and then run out the tunned in case he should be surprised. Closeta, and the place was in reality a monster thicf dan. Cochran was a devout Freabyterian, and shielded his wickedness under a religious closk.

STEEL INVENTION. STEEL INVENTION.

A Discovery That Will be of Great Value in the Iron Industry. STEUBENVILLE, Q., Sept. 20.—It never got out until Tuesday that inside the STRUBERYHLLE, Q., Sept. 26.—It never got out until Thesday it hat inside the Jefferson Iron works, two men have been inventing for the past six months a process by which the serse steel can be heated and rolled into any shape. Col. A. S. Harden and Thomas B. Wood are the patentees of the composition used in this new process, which will probably revolutionize the steel business as far as the scrap portion is concerned.

Some six months ago there were some 50 months of scrap steel et concerned.

Some six months ago there were some 50 months and scrap steel et concerned.

Some six months ago there were more 50 months and scrap steel et concerned.

A liberal reward will be paid for that b at this office, and no questions asked.

APTER sil, the Tariff is largely a local same with Democrats. Every Democratic community wants Protection for its particular sind of industries, and Free trade all the rest.—Kansas City Journal.

Well, this is about putting the case in a very clear light, and we think that in a very clear light, and we think that the present Democratic Congress will be found fully equal to the occasion of wanting Protection for particular kinds of industries, according to local interests with Free-trade for the rest of the country. Hitherto their policy has always been a sectional one, but never a broad or National policy to benefit this country.

"I no nor believe the McKinley Tariff
Law will be repealed by the present
Congressian." AF ree-trade bill might
be forced through the Honse, but It is
corrected through the Honse, but It is
be forced through the Honse, but It is
certain to atrick a knot in the Senate.
The Democratic majority in the Senate.
The Democratic Senators have practically
given notice already that they will not
take away Protection from coal, from,
lumber and other articles in which they
are particularly interested. They are
GORMAN, CAMDAN and FALUKHER of West
Virginia and Guyr of Delaware. All of
them are at heart Protectionists and
they have no sympathy with the extendist in their party. I do not believe
they can be whipped into line either.
Their votes will be necessary to pass a
Free-trade bill through the Senate. If
McKinley Tariff Law with not be repealed
during Mr. CLEYMLERD'S Administration."

caising Was Observed With Das Boson and Respect by the Sizes, the City.

NASHVILLE, Tenn., Sept. 20.—With simple but solemn ceremonies the remains of James R. Polk, tenth president of the United States, and those of his venerated wife, Mrs. Sarah Childreas Polk, were Tuesday removed from the live the Company of the Company of the With Mrs. Sarah Childreas Polk, were Tuesday removed from the dence in this city, to a picture-space spot in the state capitol grounds and there reinterred. The services at Polk place and Capitol hill were very impressive, and the occasion was observed with due honor and respect by the lic. During the hour fasted for the vemoral the public offices and business the company of the public offices and business catablishments were closed. The day was clear and bright, and long before the beglinning of the services an immense clear and bright, and long before the beglinning of the services an immense clear and bright, and long before the beglinning of the services an immense part of the services and immense from the tomb on the cast front of Polit place and reverently borne into the dressing room of the historic mannature of the present over the body of President Polk. It is a remarkable coincidence that Mr. W. R. Cornelius, the undertaker who had charge of the functual crangements Tuesday, acted in a similar capacity at the bords of the services at the house, the remains

the north side of Capitol hill, and near
the equestrian statue of President Andraw Jackson.

the equestrian statue of President An-drew Jackson.

The monument over the grave of President and Mrs. Polk was designed by Wm. Strickland. It is a square, the president of the United States. Som November 2, 1705; died June 13, 1849." The following inscription is in the center of the tomb: "The mortal remains of James knox folk are rest-ing in the vault beneath. He was born in Meedlenburg county. North Car-cellen of the Mrs. The Mrs. Mrs. Mrs. Samuel Folk to Tennessee in 1804. The beauty of virtue was illustrated in his life; the excellence of Christianity was exemplified in his death."

These wordsappear on the north side:

vice. He was elected successively to the first places in the state and federal governments, a member of congress and chairman of the most important congressional committees, speaker of the house of representatives, governor the house of representatives, governor the constant of the Luited States."

On the south side are the words: "By his public policy he defined, established and extended the boundaries of his country. He planted the laws of the American union on the shores of the Pacific. His influence and his connect tended to organize the national treasuring on the principle of the constitution o
